Pivara Tuzla

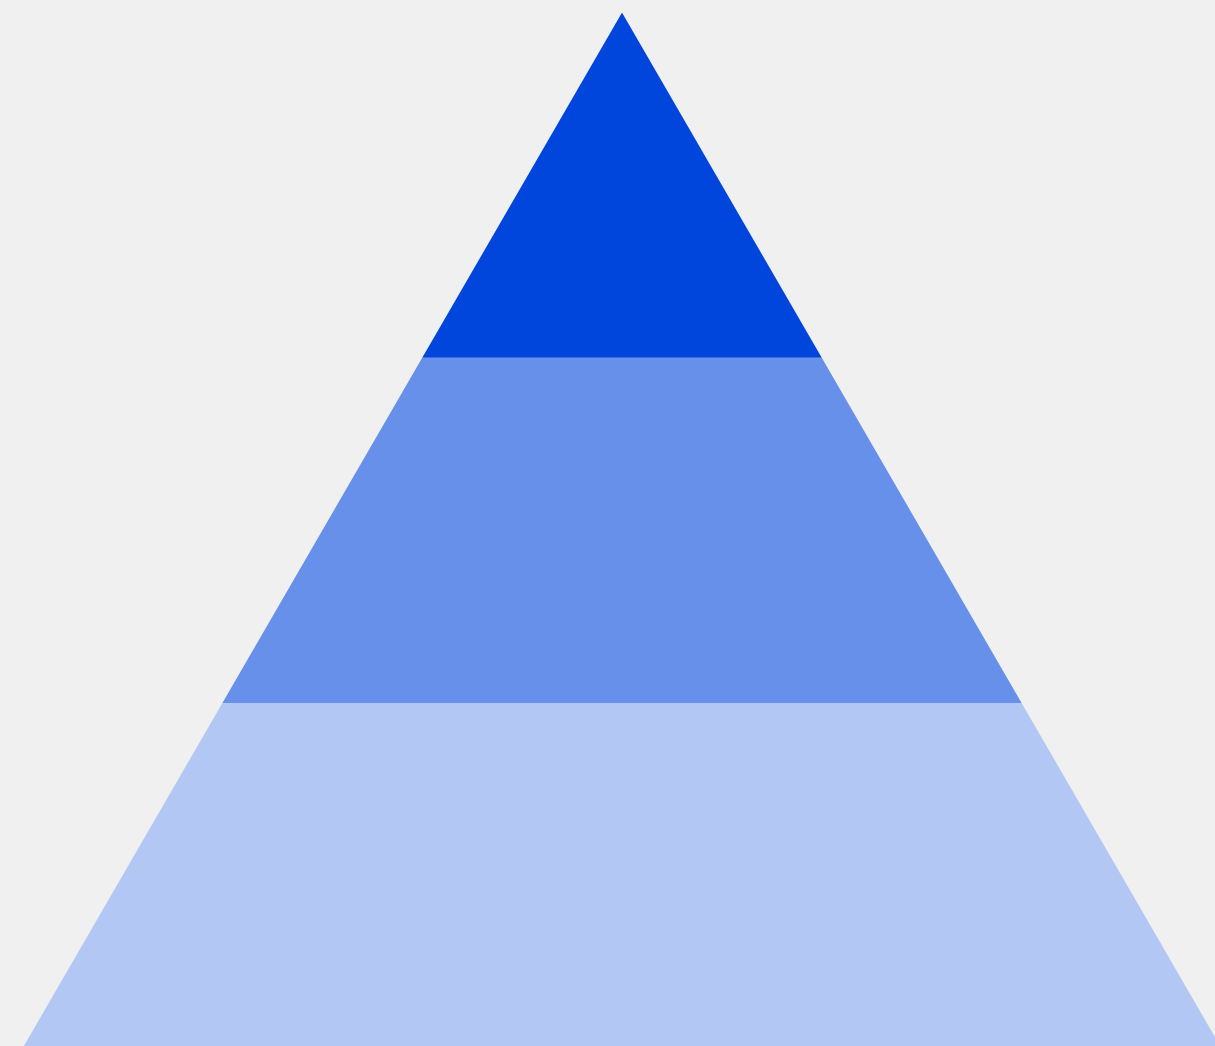

Dita
DETERGENT FACTORY

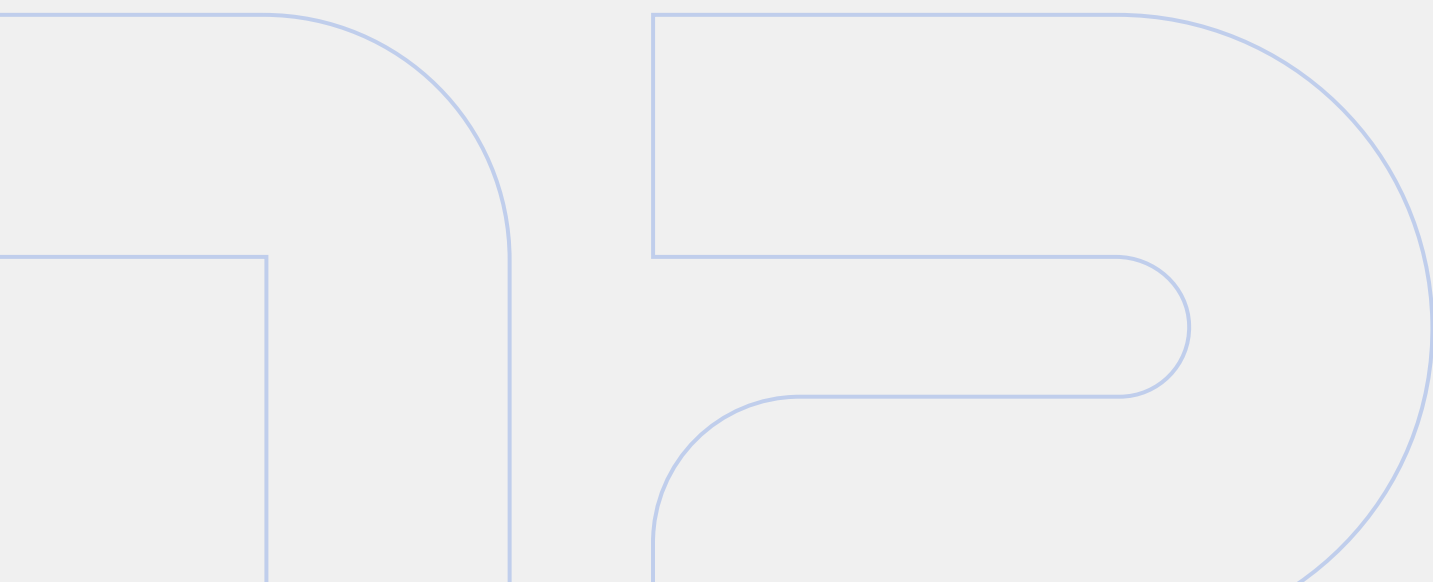

Production Program

Our products are primarily based on the needs of the end investor. We offer transport systems, equipment for energy, mining, chemical and food industries, and various steel constructions.

- 1** Transport Systems
- 2** Equipment for Energy, Mining, Chemical and Food industries
- 3** Steel Constructions

Services

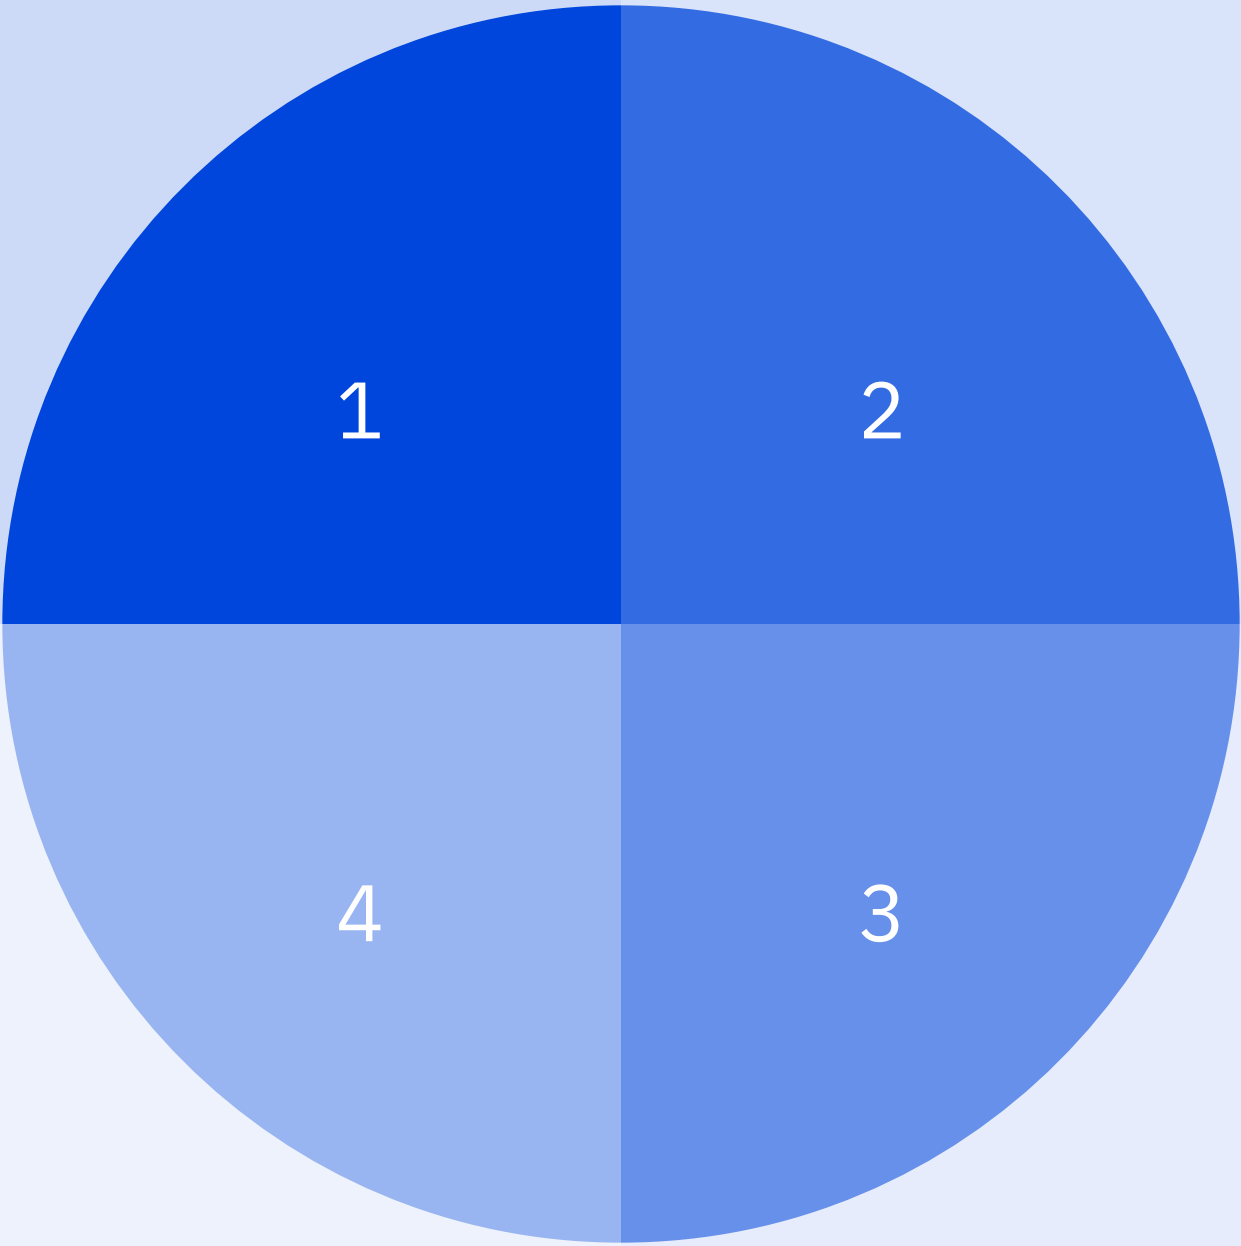

Research, Engineering
and Design

Industrial assemblies

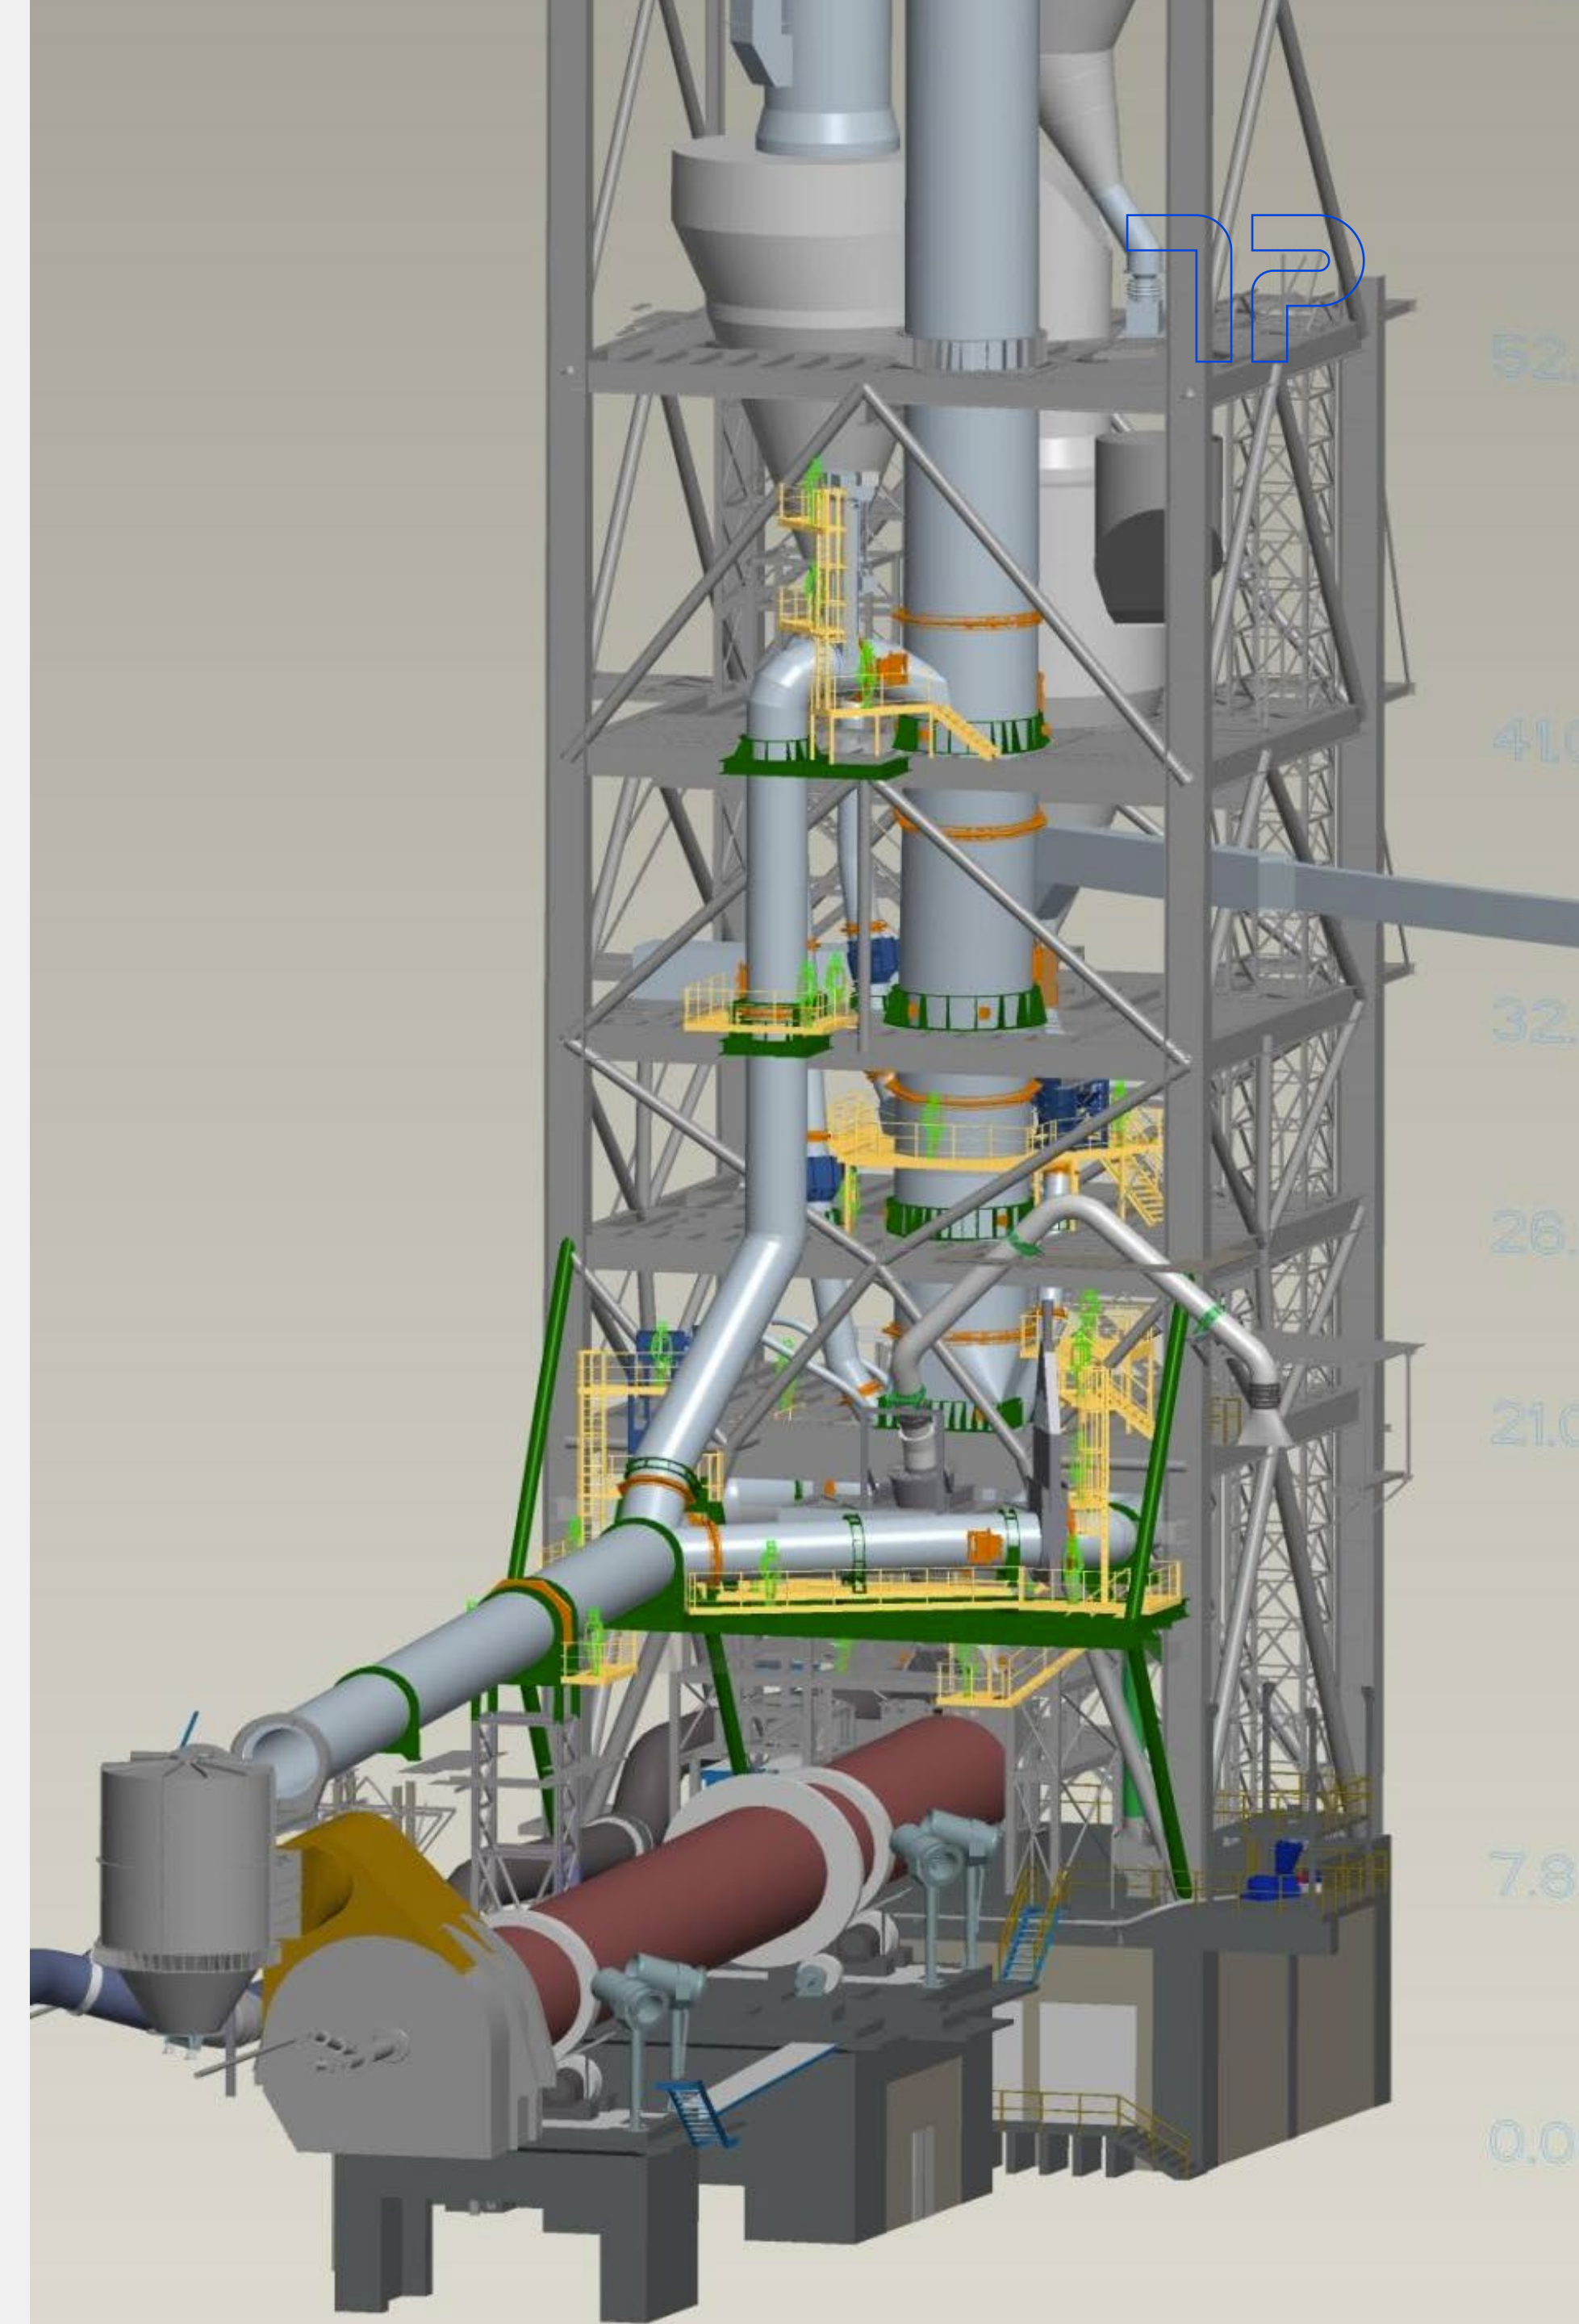

Insulation and
anti-corrosion work

Repair works

Engineering & Design

- ① Pressure vessels and pipelines
- ② Transport systems
- ③ Thermal protection of industrial facilities
- ④ Shellandtube heatexchangers
